

Decision 02-10-033 October 10, 2002

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

The Utility Reform Network and the Office of  
Ratepayer Advocates,

Complainants,

vs.

Southern California Edison Company,

Defendant.

Case 98-04-019  
(Filed April 16, 1998)

**ORDER DISMISSING COMPLAINT**

The Utility Reform Network (TURN) and Office of Ratepayer Advocates (ORA) filed this complaint alleging that a Southern California Edison Company (SCE) affiliate, Edison Source, was soliciting new retail electricity customers in California, using on its solicitation materials a sunburst logo and stylized name letterhead that it shared with SCE without including the disclaimer required by Rule V.F.1 of the Commission's Affiliate Transaction Rules adopted in Decision 97-12-088.

SCE answered denying that it violated any rule of the Commission. There has been no activity in this complaint case since June 17, 1998. On September 3, 2002, the presiding Administrative Law Judge gave notice to the parties that this matter would be dismissed for lack of prosecution unless the parties were ready for trial.

On September 26, 2002, TURN and ORA filed their response stating they had no objection to dismissal of the complaint without prejudice.

Now, therefore, good cause appearing,

**IT IS ORDERED** that Case 98-04-019 is dismissed without prejudice.

This order is effective today.

Dated October 10, 2002, at San Francisco, California.
